SELECTMEN S REPORT

Following favorable action on the 1984 articles for upgrading highway equipment, a considerable effort was expended during the year, resulting in the successful acquisition of upgraded equipment which provides greater serviceability along with reduced maintenance costs.

Sullivan property owners experienced an increase of 13.8% in the 1984 property tax rate; however, it should be noted that of the increase, only .08% was attributable to Town spending while the remaining .92% of the increase resulted from greater school and county expenses. The Town's small increase reflects a constant effort by Town officials, the Budget Committee, and Department heads to provide necessary services at the most reasonable costs.

In 1987, Sullivan will be 200 years old. A warrant article this year seeks to establish a Sullivan Bicentennial Committee. It is hoped that this event will generate much enthusiasm and be an enjoyable and memorable occasion for all. There is much to be done in the planning and preparation and volunteers will be needed to help in projects that will improve Town buildings and other community assets. It is hoped that townspeople will freely volunteer their time and talents and make Sullivan's 200th birthday truly its greatest.

NOTICE TO PROPERTY OWNERS

A new law effective April 1, 1978 imposes a penalty for failure to file a fully completed inventory form.

"RSA 74:7-a Penalty for Failure to File. Any person who fails to file a fully completed inventory form on or before April 15, unless granted an extension under RSA 74:8, shall pay a penalty of one percent of the property tax for which he is liable. In no case, however, shall the penalty be less than \$10 or more than \$50. Any person who fails to file an inventory form and who becomes liable to pay the penalty specified in this section shall lose his right to appeal any matter pertaining to the property tax for which he is liable or exemptions to which he may be entitled. This penalty has all the force of taxation and shall be treated as incident to the tax."

Inventory blanks are mailed before March 25 as required under RSA 74:5, but if for any reason you fail to receive one, you should contact the Selectmen to obtain one and complete it as required above.

The Town of Sullivan still requires the use of inventory forms. Current Use, Veteran, and Elderly Exemptions must be applied for annually on the reverse of the inventory.

SULLIVAN PUBLIC LIBRARY REPORT

Library circulation for books and related materials was 5,101 for the year 1984. The library is open eight hours weekly. Twenty-nine new patrons registered for library cards, bringing the registration total to 371 since the registration system began when the new library opened in its present location in February of 1979. We normally lose several patrons each year through death or moving out-of-town. There are at present 185 (plus unregistered pre-schoolers) residents who have used the library at least once in 1984 and most are regular borrowers.

Adult fiction loaned: 1,486 books; adult non-fiction 865, juvenile fiction and non fiction 2,750. There have been 35 special request loans from the New Hampshire State Library.

Books added to the shelves this year totaled 746 books: 360 new ones and 386 (mostly paperbacks) were donated by townspeople or out-of-town friends. We are most appreciative of these donations. Magazines loaned were: Yankee, Country Journal, Early American Life, National Geographic, Forest Notes (free), Business N.H. (free), and Boys' Life (donated).

Money raising projects have included a Used Book Sale at the Old Home Day and the annual Holiday Craft Bazaar and Luncheon in November. We are able to augment our appropriation slightly by the sale of Sullivan cookbooks, postcards, notepaper, town maps, histories, historic booklets, and conscience fines for overdue books.

Evening programs sponsored by the library trustees have been several slide shows, a basket-weaving craft night as well as an afternoon exhibition and tea featuring Pam Sayre's paintings. Classes from the Sullivan Elementary School came to the library during National Book Week and for a maple sugaring program. Free Blood Pressure Clinics, Conservation Commission, Planning Board, and the Old Home Day Committee meetings are amongst adult groups using the Library facilities on a regular basis throughout the year. Thirty-five children participated in our annual Summer Vacation Reading Program with a party held prior to opening of school in the fall.

POLICE DEPARTMENT REPORT

The Sullivan Police Department responded to 108 calls in 1984. Although there were more complaints in 1984 they were for the most part minor in nature. Animal complaints leads the list with 47.

Sullivan has had a growing dog problem for the last three years. Although we have a restraining law, I have been negligent in enforcing this law. This will be changed.

All unlicensed dogs will be picked up, also all stray dogs will be picked up. These will be taken to the Monadnock Regional Humane Society. There will be a fee to retrieve your dog from the pound.

After May 1985, all people with unlicensed dogs will be summons to court. Keene District Court fees for unlicensed dogs:

First offense - fine -	\$25.00
Second offense	- \$50.00
Third offense	- \$75.00
Fourth offense	-\$100.00 and dog may be ordered destroyed.

We appreciate your help and cooperation this past year and will welcome it again in 1985.

Please feel free to call anytime day or night to report any crime or problem that you feel the police should handle.

Mutual Aid - 352-1100

SULLIVAN FIRE DEPARTMENT

1984 seemed to be a pretty quiet year for the department as far as calls went. There were:

1 Structure Fire	5 Chimney Fires
2 Vehicle Fires	1 Mutual Aid call to Stoddard

New equipment purchased in 1984 was:

6 Fire Coats	6 Helmets	6 pairs boots
1 Ladder safety belt	2 20lb Fire Extinguishers	
1 8" Ice Auger		

Bill Sprague, Philip Gladu and Floyd Nims conducted a very informative demonstration for Fire Prevention Week at Sullivan School.

The Department also cleaned some 40 odd chimneys in town.

Over the years we have been very unsuccessful in our bid for new members. There are roughly 500 residents in Sullivan and only 20 active members on the Fire Department. This is your town and your property. We need help in all aspects of the Department. Please give us your time and help.

Respectfully Submitted,
Philip R. Gladu, JR
Deputy Chief
Sullivan Volunteer Fire Dept.

ROAD AGENT'S REPORT

I should like to take the opportunity to thank you, the people of Sullivan, for the support shown to the highway department through: (1) the authorization of new and better equipment- it's a big help!; (2) the availability of help in time of need - Memorial Day flooding; and (3) for people who have donated time and services during the year.

As a special project, reconstruction work was begun on approximately four-tenths of a mile on the Valley Road. This section has all new culverts, a new gravel base, and has been re-built with improved width and grade. This year's scheduled finish surfacing should complete the project.

There are many projects and improvements that are needed on the town's roads but with limited dollars these projects must be prioritized and the townspeople's patience in "living with" some existing conditions is recognized and appreciated.

I enjoy being able to serve as Sullivan's Road Agent and appreciate the cooperation and support received by the highway department.

Respectfully submitted
Jim Robinson
Road Agent

SULLIVAN RESCUE SQUAD REPORT

Another year has passed. It was the second full year for the Sullivan Rescue Squad. Our six members responded to 14 calls.

4 Sudden Illness	2 Auto Accidents
4 Possible Fractures	4 Other

The rescue squad is continuing to buy new supplies and equipment, all purchased with donations. Our priority for 1985 is to get the rescue squad bodywork done and painted. We also plan to purchase some new equipment, such as a scoop stretcher. As in the past 2½ years, the rescue has been operated and will continue to operate on donation money only.

All rescue members are currently taking the advanced first aid course, along with some concerned citizens and some of the towns teenagers. Our group is down to six active members and we do not have anyone in town during the daytime hours.

Anyone interested in joining the rescue can contact me.

As Treasurer of the fire departments private account, I am submitting a financial statement of our accounts for 1984. As you can see we had substantial income this year. This is due to some very generous townspeople and to the continuing support of our fund raising events.

As I said in the rescue report, our main areas of concern this coming year will be the body work and paint job on the rescue vehicle, this must be done before inspection this year.

We are also pleased to report the purchase of three (3) minitors, these small, tone activated scanners make it possible for your fire department to be "on call" wherever they are.
